AFFIDAVIT FOR PROBABLE CAUSE

STATE OF INDIANA, COUNTY OF CLARK, SS:

Agency case report: 23ISPC010364

The Affiant, Indiana State Police Lieutenant Jeffrey C. Hearon swears (affirms) that:

I, Indiana State Police Lieutenant Jeffrey C. Hearon, being a duly sworn peace officer for the State of Indiana, have been employed by the Indiana State Police for 35 years. Your affiant, Jeffrey C. Hearon, a law enforcement officer with the Indiana State Police, being duly sworn, swears and affirms under penalties for perjury that the following statements are true and accurate to the best of my knowledge:

I am a police officer with the Indiana State Police. I have been a police officer with the Indiana State Police since 11/13/1988. I am a "law enforcement officer" as that term is defined in Ind. Code 35-31.5-2-185.

I am currently assigned as a Lieutenant to the Area V Field Investigations of the Indiana State Police. In connection with my official duties, I am involved in investigations relating to violations of the Indiana Criminal Code.

I have received training relating to the enforcement of the Indiana Criminal Code, including the following:

- A. My initial training at the Indiana Law Enforcement Academy in 1988. I have satisfied the minimum basic training requirements established by rules adopted by the law enforcement training board under I.C. 5-2-1-9 and described in I.C. 35-37-4
- B. I have attended numerous additional training courses; see attached transcripts.

As a result of my training and experience, I am familiar with the techniques and methods of operation used by individuals involved in criminal activity to conceal their activities from detection.

Investigation:

In support of affiant's assertion of Probable Cause, the following facts are known to affiant, to wit:

On June 13, 2023, I was assigned a criminal investigation after current Clark County Sheriff Scott Maples reported several criminal allegations of Official Misconduct against former Clark County Sheriff Jamey Noel. Jamey Noel was the Clark County Sheriff from January 1, 2015, through December 31, 2022.

I was directed to contact Colonel Mark Grube for specific allegations and witness information. On June 22, 2023, I contacted Colonel Grube, and he advised there were several allegations, some of which were as follows:

- Jamey Noel assigned four of the Clark County Jail Maintenance employees to work on his rental property, private business buildings (New Chapel EMS and Utica Township Volunteer Fire Fighters Association), pole barn, cars, and private residence while being on duty and being paid as Clark County employees.
- Jamey Noel sold county vehicles and equipment, at a discount price, to employees who worked on his personal vehicles, property, and non-profit businesses.
- Jamey Noel, as sheriff, received millions of dollars in military surplus equipment and acquired some of this property for his personal use.

I formed a joint taskforce consisting of investigators from the Indiana State Police, Indiana State Board of Accounts, Indiana Attorney General, Department of Defense Investigators, and Indiana Department of Revenue. Approximately forty-two subpoenas and fifty-six search warrants were issued.

On August 16, 2023, I formed four teams of detectives, uniform troopers, an Indiana Department of Revenue Agent, and State Board of Account Investigators and served four search warrants at the following locations: Jamey Noel's residence, Jamey Noel's Pole Barn, Utica Township Volunteer Fire Fighters Association Station 1 and 2.

At the locations, I found numerous tax statements, bank documents, credit card receipts, not-for profit board minutes, and financial records for the Utica Township Volunteer Fire Fighters Association, New Chapel EMS and Fire, Utica Township Fire Department, New Chapel Fire Incorporated, and other assumed business names associated with the above entities, as well as Jamey Noel and his family, including but not limited to Misty A. Noel and Kasey Noel. Additionally, the documents revealed Jamey Noel was the Chief Executive Officer, Chief Financial Officer, and Fire Chief for the above-named businesses.

I obtained copies of the Utica Township Volunteer Fire Fighters Association (UTVFFA) 1954 Articles of Incorporation, UTVFFA Amended Articles of Incorporation 1993, UTVFFA Application for Reinstatement 1993, and the UTVFFA Indiana Secretary of State Business Entity Report 2022 listing Jamey Noel as the Chief Executive Officer. The various Articles of Incorporation and reports submitted to the Secretary of State indicate that Jamey Noel has been connected with the fire departments since the 1990's and has held various Board and Officer positions, including Chief Executive Officer and Secretary, and was responsible for a number of the business filings and reports required by the Secretary of State's Office.

During this investigation I contacted the past and present listed board of directors and determined prior to August 2023 there had not been a board meeting in several years, and the members indicated Jamey Noel had acted independently absent board participation, but he was never authorized to purchase personal items, trips, timeshares, jewelry, personal vehicles, pay his personal property taxes, and utilities with not-for-profit funds.

With the assistance of Indiana State Board of Accounts, the total annual income for all the above businesses and New Chapel Fire, Inc., which is an assumed business name for Utica Fire Department (below), is estimated at approximately seven to eight million dollars. Total public funds received by New Chapel EMS, for the SBOA examination period 2019 to 2023, were \$3,886,388.80.

During the period of this examination, New Chapel EMS received a total of \$3,886,388.80 of public funds from Clark and Floyd counties.

During the execution of the search warrants on August 16, 2023, I found several American Express receipts indicating Jamey Noel had at least one credit card account. On September 14, 2023, a subpoena was sent to American Express for all accounts associated with Jamey Noel.

On January 25, 2024, American Express provided 1,729 pages of charges, payments, and statements associated with the Jamey Noel, Misty Noel, Kasey Noel, and other card holders. A review of the charges made by Jamey, Misty, and Kasey Noel were for personal purchases and suspected to be evidence of theft and tax evasion.

Below is a breakdown of Jamey, Misty and Kasey Noel’s American Express purchases per year.

On November 9, 2023, Jamey Noel was arrested and charged with fifteen felonies. On February 1, 2024, Jamey Noel was charged with an additional ten felonies. Since February 1, 2024, additional investigations have been conducted by ISP and SBOA. The SBOA issued two audit reports, one for theft from the Clark County Sheriff's Department and one for theft from Utica Township Volunteer Fire Fighters Association, which reveal additional theft evidence which is outlined below:

Clark County Sheriff's Department theft of lawnmowers:

On December 31, 2019, Sheriff Jamey Noel purchased five zero-turn lawnmowers from Ben's Bargain Center, 1710 East 10th Street, Jeffersonville, IN 47130 for \$18,651.75 using funds from the sheriff's department commissary. According to Kenny Hughbanks, who advised he was unaware sheriff funds were used, the lawnmowers were transported by him to Jamey Noel's pole barn at 709 Old Salem Road, Jeffersonville, Indiana and one was sold to Hughbanks for \$2,664.35, and one was sold to Donovan Harrod for \$2,500.00. Below is a copy of the Ben's Bargain Center invoice which includes the lawnmower serial numbers.

On March 7, 2024, Donovan Harrod allowed detectives to view and photograph the Briggs and Stratton 48 inch zero-turn riding lawnmower, serial number 201807944, sold to him by Jamey Noel. Additionally, Harrod provided a statement indicating Jamey Noel stated he purchased the mower at a bargain price and sold it to Harrod because he knew Harrod needed a lawnmower. Harrod stated he was unaware the mower had been purchased with sheriff's department funds and paid \$2,500.00 cash for the mower.

On April 2, 2024, Kenny Hughbanks surrendered a Briggs and Stratton 48 inch zero-turn riding lawnmower, serial number 4000103882, sold to him by Jamey Noel. Additionally, Hughbanks provided a statement indicating he and Jamey Noel traveled to Ben's Bargain Center on December 31, 2019, where Jamey Noel purchased five zero-turn lawnmowers. Hughbanks told Noel he needed a mower but did not have the money, so Noel purchased one for him and Hughbanks reimbursed him later. Mr. Hughbanks stated he was unaware the mower had been purchased with sheriff's department funds.

On April 26, 2024, I obtained and executed Search Warrant 52 at Jamey Noel's pole barn, 709 Old Salem Road, Jeffersonville, Indiana. The search warrant was to seize vehicles Jamey Noel

had purchased with UTVFFA funds. While inside the pole barn I observed a Briggs and Stratton 61-inch zero-turn lawnmower, serial number 4000051646, parked in the barn. The lawnmower was seized. Additionally, I remembered seeing a lawnmower in Kasey Noel's storage barn, 711 Old Salem Road, Jeffersonville, Indiana on August 16, 2023, and reviewed an evidence picture taken on that date. I confirmed there was a zero-turn riding lawnmower matching the description of one on the above receipt and contacted Kasey Noel's attorney requesting to inspect the serial number. Upon inspection, the lawnmower was a Briggs and Stratton 48-inch zero-turn riding lawnmower, serial number 201808159, which was purchased with Clark County Sheriff's Department Commissary Funds. The lawnmower at Kasey Noel's residence was seized. The fifth lawnmower has not been recovered.

HVAC System purchased with Clark County Sheriff's Department Commissary Funds:

On January 25, 2024, Indiana State Board of Accounts investigators located a commissary fund invoice dated July 20, 2022, from Miller Heating and Cooling for \$6,539.12 while conducting their audit of the Clark County Sheriff's Department Commissary Fund. The invoice indicated the replacement of the existing heating and cooling system at 1800 Patrol Road, Charlestown, Indiana. The address returned to the Charlestown Volunteer Fire Department, which is run by Utica Fire Department, of which Jamey Noel was the Chief. The invoice was paid from the Clark County Sheriff's Department Commissary Fund. I contacted the owner of Miller Heating and Cooling, John Miller Junior, who provided an original invoice. I compared the original invoice to the one submitted by Jamey Noel to the commissary and noticed the one submitted to the commissary fund had an altered billing address. Mr. Miller indicated he installed the HVAC system at the Charlestown Fire Department and not at the Clark County Sheriff's Department.

On January 26, 2024, I obtained and oversaw the execution of Search Warrant 32. The HVAC System at the Charlestown Fire Department was examined and matched the one purchased by Jamey Noel using Clark County Sheriff's Department Funds.

Theft of \$11,000.00 from the Clark County Sheriff's Department Commissary Fund for the purchase of a Utica Township Volunteer Fire Fighters Vehicle:

On June 26, 2019, Sheriff Jamey Noel sold a 2009 Dodge Ram Truck owned by the Utica Township Volunteer Fire Fighters Association to the Clark County Sheriff's Department for \$11,000.00, using commissary funds to purchase the vehicle. On June 28, 2019, he deposited the commissary check into the UTVFFA Fifth Third bank account. The 2009 Dodge was never entered into the Sheriff's Department Vehicle Inventory, and the title was never transferred.

Theft of surplus shipping containers:

A review of Indiana State Records of Law Enforcement Support Office (LESO), a division of the United Department of Defense, was conducted and it was determined that numerous surplus shipping containers were given to the Clark County Sheriff's Department under Sheriff Jamey Noel's term.

During this investigation I interviewed Jamey Noel's first term Colonel, Jeffrey Groh. Mr. Groh advised he was a retired ATF Agent and after retirement he was asked to be Jamey Noel's third in charge at the Clark County Sheriff's Office. Mr. Groh explained he was Colonel from January 1, 2015, to December 31, 2018. Groh described Jamey Noel as a very secretive person and relayed an incident where he traveled to a warehouse on the River Ridge Redevelopment property leased by the sheriff's office. Groh explained he entered the warehouse and was astonished to find it full of military tools and equipment. Groh then went to speak with Sheriff Noel. Groh advised he questioned Sheriff Noel why a sheriff's office needed multiple forklifts, generators, saws, and vast amounts of hand tools. The sheriff responded by telling Groh the property was free from the government and after various retention periods it could be sold, and the money would go to the agency. Groh insisted on a full inventory of all surplus property, and he was told by Sheriff Noel that it would be taken care of properly. Colonel Groh returned to the warehouse at a later date and was denied access. According to Mr. Groh, he was never allowed entry to the warehouse despite his repeated requests.

According to Rodney Whobrey, in July 2019, Jamey Noel contacted him and advised the Department of Homeland Security was giving away shipping containers to government entities. Sheriff Noel instructed Whobrey to use the Clark County Sheriff's Office truck and trailer and transport a number of these containers to the sheriff's office. Mr. Whobrey provided several time stamped photographs of the shipping containers. Mr. Whobrey advised several of the shipping containers were taken to the Clark County Training Center and filled with surplus government property.

Rodney Whobrey advised in the late fall of 2022, as Sheriff Noel's term was ending, an employee of Clark County Jail Employee transported the shipping containers from the training center to an unknown location.

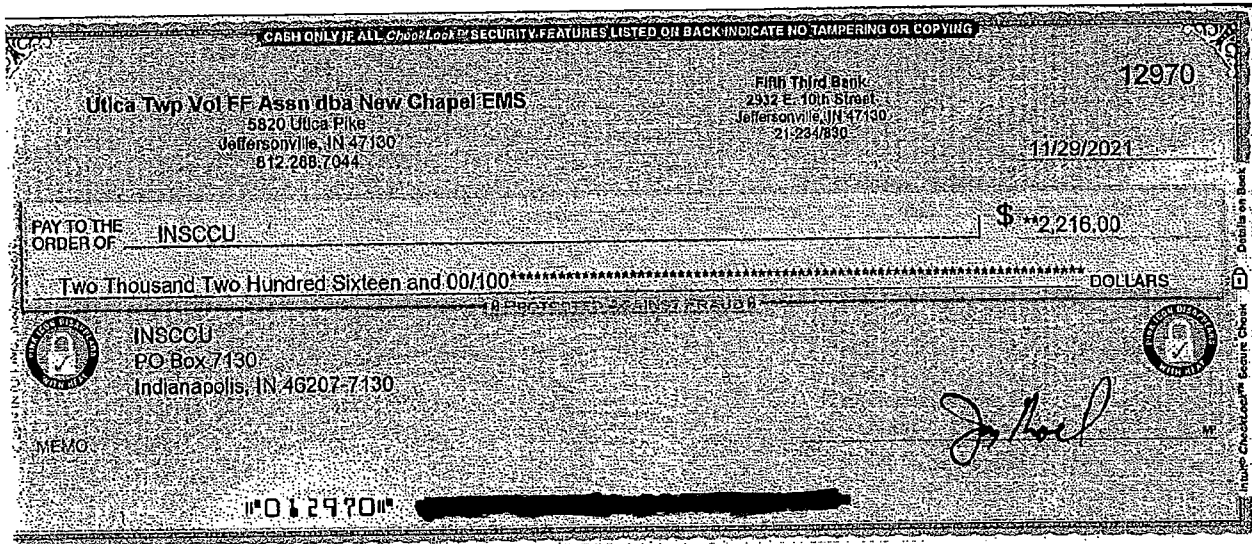

On November 15, 2023, I spoke with Resident Agent in Charge, Jared Camper, Defense Criminal Investigative Service. Agent Camper advised that the Clark County Sheriff's Office received in excess of seven (7) million dollars in surplus military property from January 1, 2015, to December 31, 2022. I obtained a list of the surplus property. A review of the surplus property listed indicated several shipping containers were given to the CCSD.

On February 21, 2024, I interviewed Kevin Wilkerson, Chief Mechanic of Utica Township Fire Department and New Chapel Fire EMS. Mr. Wilkerson advised he overheard a conversation indicating several shipping containers from the Clark County Sheriff's Department Training Facility were moved to a property in Deputy, Indiana in December 2022.

On March 3, 2024, Detective Hanson and I traveled to Deputy, Indiana and located approximately twenty-six United States Government, Civilian, and Military Shipping Containers, and other property. The shipping containers and other property were seized pursuant to a search warrant. The shipping containers were later photographed and compared to the Indiana State Records of Law Enforcement Support Office (LESO), Indiana Homeland Security Records, and photographs taken by Rodney Whobrey and many were confirmed to belong the Clark County Sheriff's Department.

Theft of child support payment funds from UTVFFA:

During this investigation I obtained a subpoena for the Indiana Child Support Bureau for Jamey Noel's child support payments and was provided approximately 154 pages of child support documents, copies of cancelled checks, and a one-page history of American Express Credit Card child support payments. An examination of the payment history revealed Jamey Noel paid many of the child support payments using Utica Township Volunteer Fire Fighters Association funds. Below is an example of one of the checks.

A State Board of Accounts Audit indicated between March 31, 2020, to November 29, 2021, Jamey Noel wrote 21 checks drawn on the UTVFFA Fifth Third Bank Account for child support to Brittney Ferree for their child. The 21 checks totaled \$50,968.00.

Between January 1, 2022, to September 1, 2023, Jamey Noel made 22 payments on the UTVFFA American Express Card to pay for child support to Brittney Ferree for their child. The 22 total American Express charges plus American Express Credit Card Convenience Fees were \$54,003.51.

Category	Amounts
Check Payments	\$ 50,968.00
Credit Card Payments	52,815.07
Credit Card Convenience Fees	1,188.44
Total Child Support Payments	\$ 104,971.51

Theft of UTVFFA BMW and sale to Brittney Ferree:

During this investigation I obtained Indiana BMV Records for all vehicles owned by the Utica Township Volunteer Fire Fighters Association. A review of those records indicated Jamey Noel sold a 2015 BMW owned by UTVFFA, to Brittney Ferree for \$21,000.00 on January 21, 2023. An interview with New Chapel EMS Deputy Director Matt Owen revealed Jamey Noel deposited \$23,000.00 cash on August 21, 2023, into the UTVFFA Fifth Third Bank Account, and claimed the money was from the sale of the BMW to Brittney Ferree. It should be noted the deposit was made after search warrants were served at Jamey Noel's residence and pole barn on August 16, 2023.

Brittney Ferree provided a recorded statement indicating she gave Jamey Noel \$21,000.00 cash for the purchase of the 2015 BMW.

On March 21, 2024, Brittney Ferree agreed to make a recorded statement concerning four payments totaling \$6,998.40 provided to her by Jamey Noel. Ms. Ferree stated the four charges were for diapers, clothing, wipes, bottles, medical bills, and construction repairs to her residence for the child's bedroom. The payments were made to Brittney Ferree by Jamey Noel via PayPal using Utica Township Volunteer Fire Fighters Association Funds.

Theft from UTVFFA via William Leon Noel's Estate:

During this investigation I obtained tax records, bank records, and property records for Kasey Noel. A review of the property records indicated Kasey Noel owns a residence at 711 Old Salem Road, Jeffersonville, Indiana 47130.

I discovered Kasey Noel had a mortgage on the property from United Wholesale Mortgage LLC. I subpoenaed the mortgage records and determined the 711 Old Salem Road home was originally owned by William "Leon" Noel, Jamey Noel's deceased brother and uncle to Kasey Noel. I learned Leon Noel passed away on Friday, December 21, 2018, at Jewish Hospital in Louisville.

Leon Noel had three surviving children who were the heirs of his estate, Dorian Noel, age 23, Taylor Noel, age 19 and Jack Noel, age 11. Jamey Noel was appointed as executor of Leon's Estate, which consisted of a 5/3 Bank Estate Account, the house and property at 711 Old Salem Road, Jeffersonville, Indiana, and a house Leon purchased to "flip" located at 413 Glenview Heights, New Albany, Indiana.

The mortgage records indicated the closing for the 711 Old Salem Road property was held on April 26, 2019. The house was sold to Kasey Noel for \$180,000.00. As executor of the estate, Jamey Noel gave/gifted Kasey \$36,000.00 of equity. The closing was completed at Mattingly Ford Title Services LLC, which has an office at 4008 Northside Drive, Suite 1, New Albany, Indiana 47150.

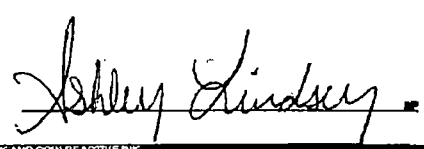

After the mortgage was paid (\$112,000.00), closing expenses were deducted, and Kasey Noel was gifted \$36,000.00, a check for \$25,545.78 was issued to the Estate of William Leon Noel. The check was deposited in the 5/3 Leon Noel Estate Account administered by Jamey.

A review of the 5/3 Estate Bank Records and information from the Momentum Title Company show the 413 Glenview Heights property was sold for \$119,687.79 on May 29, 2019, and the proceeds were deposited in Leon's Estate Account.

The 5/3 Bank statements and cancelled checks indicate Jamey Noel paid Paul Lockhart Construction \$8,000.00 by a check from Leon's Estate account and two \$8,232.30 payments via PayPal, which were linked to the Utica Township Volunteer Fire Fighters Association American Express account for basement work on the Glenview Heights property.

On May 29, 2019 Jamey Noel wrote himself a check for \$16,000.00 for basement reimbursment, however he did not provide any personal payment, but instead charged the UTVFFA for the basement payments and profited \$16,000.00 .

On December 2, 2019 Jamey Noel obtained a cashier's check for Dale Abell for \$52,500.00 from William Leon Noel's Fifth Third Estate Account. I contacted Dale Abell, and he advised Jamey Noel purchased a 1969 Road Runner from him on December 2, 2019, for \$52,500.00. Mr. Abell explained Jamey Noel provided him with a cashier's check and he provided the below copy.

A review of the Utica Township Volunteer Fire Fighters Association bank records indicated Jamey Noel withdrew/transferred \$52,500.00 from the UTVFFA Account on December 2, 2019, and deposited into his deceased brother's estate account the same day.

Theft of UTVFFA Funds to Purchase a personal Airplane:

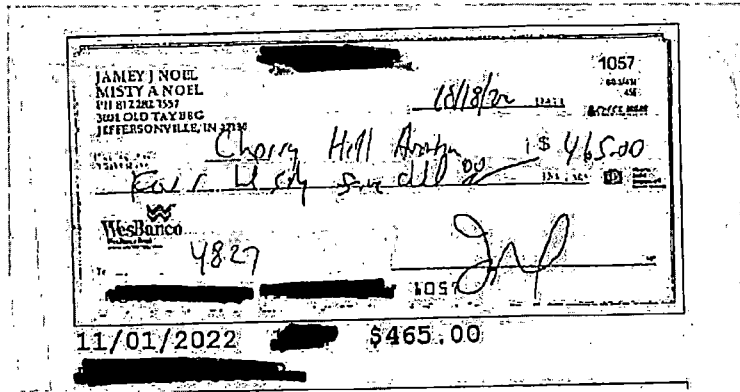

As part of this investigation, I ran an aircraft registration inquiry which listed Jamey Noel as the owner of a Cessna 172. It showed the previous owner as Jerry Mull. I contacted Jerry Mull who explained he sold his 1958 Cessna 172 to Jamey Noel on February 17, 2022, for \$25,000.00. According to Mr. Mull, he was led to believe Jamey Noel was buying the plane for his own personal use. Mr. Mull was able to provide a copy of a 5/3 Bank cashier check Jamey Noel used to purchase the aircraft. An examination of the memo portion of the check indicated the check was for "Equipment". A review of Utica Township Volunteer Fire Fighters Association Bank records revealed the check was deducted from the UTVFFA account and not Jamey Noel's personal account.

I was able to identify two people, Michael Watson and Amos Burgess, who accompanied Jamey Noel. Both Watson and Burgess were employed with the Clark County Sheriff's Office in February 2022. According to Michael Watson, he accompanied Jamey Noel to look at a Cessna 172 and was under the impression Mr. Noel was purchasing the plane for his personal use. Mr. Watson said the plane had some starter issues, which he fixed. Mr. Watson advised Amos Burgess flew the plane to Cherry Hill Aviation in Seymour, Indiana for additional repairs.

I contacted Cherry Hill Aviation and spoke with Lance Bartels. Mr. Bartels advised his company serviced the Cessna 172 on two occasions, September 1, 2022, for \$16,616.63 and October 17, 2022, for \$465.00. I reviewed the Utica Township Volunteer Fire Fighters Association bank records and located check 13759 for \$16,616.63 and located check 1057 from Jamey and Misty Noel's personal checking account for \$465.00.

I reviewed the two invoices provided by Cherry Hill Aviation and both listed the billing information as Jamey Noel's personal home address, 3001 Old Tay Bridge, Jeffersonville, Indiana.

I interviewed Amos Burgess, and he corroborated Michael Watson's account of accompanying Jamey Noel to purchase the Cessna 172 from Jerry Mull. He also indicated it was his impression the plane was being purchased for personal use.

On November 30, 2023, I was notified the 1958 Cessna 172 was located at PrivateFlite Aviation and Aircraft Specialists, 6005 Propeller Lane, Sellersburg, IN 47172, for an annual inspection. I contacted the General Manager, Kelly Lurz, and she confirmed the plane was at her facility. Ms. Lurz advised the plane registration changed from Jamey Noel's name to Utica Township Volunteer Fire Fighters Association and provided me with a FAA Registration History. A review of the history indicated the plane was registered in Jerry Mull's name on July 29, 2021, Jamey Noel's name on August 22, 2022, and Utica Township Volunteer Fire Fighters Association on October 2, 2023. The change of registration to UTVFFA was after Mr. Noel was advised he was the suspect in a criminal investigation, and numerous search warrants were served on his residence, pole barn, and fire departments.

Purchase of Cub Cadet Lawnmower using Utica Township Volunteer Fire Fighters Association Funds

On March 13, 2024, I obtained and executed Search Warrant 45 on Jamey and Misty Noel's residence at 3001 Old Tay Bridge, Jeffersonville, Indiana. The purpose of the search warrant was to search for and seize clothing purchased from Tom James Company by Jamey Noel using Utica Volunteer Fire Fighters Association Funds. While searching the residence, I observed a yellow Cub Cadet Z560 Lawnmower parked in Jamey Noel's garage. Knowing Mr. Noel had stolen several lawnmowers in the past, I called Jacobi Equipment in Sellersburg, Indiana and inquired if Jamey Noel had purchased a Z560 lawnmower. I was provided with an invoice dated July 13, 2022, for the purchase of a Z560 for \$11,700.00 by Jamey Noel on behalf of the Utica Township Volunteer Fire Fighters Association. I matched the serial number on the invoice to the serial number on the mower in Jamey Noel's garage and the mower was seized.

1979 Pontiac Trans Am

A review of a wire transfer from the Utica Township Volunteer Fire Fighters Association Bank Account made by Jamey Noel on January 6, 2020, for \$20,000.00 was compared to the BMW Title history of a 1979 Pontiac Trans Am registered to Jamey Noel. The title history for the 1979 Trans Am indicated the vehicle was purchased from Thomas Dager and Debra Ruth Wangsgard,

who live in Payette, Idaho, for \$9,500.00 on January 6, 2020. I contacted Thomas Dager and he confirmed he sold the Trans Am to Jamey Noel for \$20,000.00 via wire transfer and had the Trans Am shipped to Indiana. A further review of the Idaho Title appears to indicate a different type of pen may have been used to complete the selling price listed on the title of \$9,500.00 instead of \$20,000.00, which has been an ongoing pattern throughout this investigation.

1969 Plymouth Road Runner

A review of the title history for a 1969 Plymouth Road Runner, VIN RM23H9G195995, owned by Jamey Noel was conducted because of the duplicate title request. The sales documents on file with the BMV indicated Jamey Noel purchased the 1969 Plymouth from Norman "Dale" Abell on March 19, 2022, for \$15,000.00. I contacted Dale Abell, and he advised Jamey Noel purchased the Road Runner from him in December 2019 for approximately \$52,000.00. Mr. Abell explained Jamey Noel provided him with a cashier's check and he volunteered to go to his bank and obtain a copy of the check. A short time later Dale Abell provided me with a photograph of the check (below) which showed it was a cashier's check from Fifth Third Bank for \$52,500.00 and dated 12/02/2019.

A review of the Utica Township Volunteer Fire Fighters Association bank records indicated Jamey Noel withdrew/transferred \$52,500.00 from the UTVFFA Account on December 2, 2019, and deposited it into his deceased brother's estate account the same day. A review of the William Leon Noel Estate Account Records indicates Jamey Noel obtained a cashier's check for \$52,500.00 from the estate account and used the funds to purchase the 1969 Road Runner listed above.

1952 Dodge Flatbed

On April 26, 2024, I obtained and executed Search Warrant 51 at Jamey Noel's Pole Barn, 709 Old Salem Road, Jeffersonville, Indiana to search for six vehicles listed above. While at the pole barn I observed a 1952 Dodge Truck, VIN 83383913. I ran the VIN and determined the previous owners were Douglas and Missi Demont from Hillsdale Illinois. I contacted the Demont's, and they advised they sold the truck to Jamey Noel for \$9,500.00 around July 2022. The Demont's also identified Kenny Hughbanks as being with Jamey Noel when they picked up the Dodge with a Clark County Sheriff's Department Tow Truck. I spoke to Kenny Hughbanks about the purchase, and he explained he saw the Dodge advertised on Facebook Marketplace and asked Jamey Noel if he wanted to buy the vehicle. Noel instructed Hughbanks to buy the vehicle and Hughbanks used his own money for the purchase and was repaid by Noel via PayPal. I located two PayPal payments from Jamey Noel to Kenny Hughbanks on July 8, 2022, for \$5,145.30 and August 31, 2022, for \$4,425.00. Both payments used Utica Township Volunteer Fire Fighters Association Funds.

1970 Chrysler Newport

On April 26, 2024, I obtained and executed Search Warrant 51 at Jamey Noel's Pole Barn, 709 Old Salem Road, Jeffersonville, Indiana to search for six vehicles listed above. While at the pole barn I observed a 1970 Chrysler Newport, VIN CE27L0C139414. I ran the VIN and determined the previous owner was John Davy from Watervliet, Michigan. I contacted Mr. Davy and determined that he sold the car to Kenny Hughbanks around November 2022. I interviewed Hughbanks who advised he observed the Chrysler advertised on Facebook Marketplace and asked Jamey Noel if he wanted to buy it. Hughbanks advised he traveled to Michigan and purchased the vehicle for approximately \$3000.00, and Jamey Noel reimbursed him via PayPal and cash. I located a \$1749.60 PayPal payment to Kenny Hughbanks which Hughbanks identified as being a partial payment from Jamey Noel for the Chrysler on November 12, 2022, using Utica Township Volunteer Fire Fighters Association Funds.

1970 Dodge Super B

On April 26, 2024, I obtained and executed Search Warrant 51 at Jamey Noel's Pole Barn, 709 Old Salem Road, Jeffersonville, Indiana to search for six vehicles listed above. While at the pole barn I observed a 1970 Dodge Super B, VIN WM23N0E107650. I ran the VIN and title history and determined the vehicle was purchased by Jamey Noel on May 19, 2020, from Tri Star Classic Cars, South Dayton, Florida. A review of the sales documents Jamey Noel provided to the BMV indicated he paid \$25,000.00; however, I contacted Tri Star Classic owner Kevin Sergent, and he advised the selling price was \$45,000.00. I obtained the below cashier's check from Fifth Third Bank and determined Jamey Noel used Utica Township Volunteer Fire Fighter Funds to purchase the 1970 Dodge Super B.

Theft of UTVFFA Funds to purchase Tom James Clothing after November 9, 2023, arrest of Jamey Noel

On March 1, 2024, I contacted the Tom James Company and requested itemized receipts and invoices for all items purchased by Jamey Noel. According to the American Express totals, Jamey Noel made purchases totaling \$183,980.07 from the Tom James Company from 2019 to 2023.

The Tom James Company is a high-end custom-tailor apparel company for men and women. On March 4, 2024, I met with Tom James Company Attorney George Stohner. Mr. Stohner provided me with a detailed account statement from February 6, 2012, to December 28, 2023, and payment history from May 22, 2022, to December 18, 2023, on items bought by Jamey Noel. A review of the documents indicated Jamey Noel used the Utica Township Volunteer Fire Fighters Association American Express Card to pay for suits, shirts, ties, socks, jewelry, shoes, and gifts for himself and Josey Noel.

Additionally, I was advised Jamey Noel purchased a suit and other apparel on December 18, 2023, and was advised the items would be delivered on March 13, 2024, to his residence at 3001 Old Tay Bridge, Jeffersonville, Indiana 47130. Mr. Noel paid \$3,016.46 for the items and charged them to the Utica Township Volunteer Fire Fighters Association American Express Card.

On March 13, 2024, Detective Chris Hanson and I observed a Tom James employee deliver the items to Jamey Noel at 3001 Old Tay Bridge, Jeffersonville, Indiana. Search Warrant 45 was obtained and served, and the suit and clothing described above was located and seized.
